

**Persons whose names are listed after the In
Memoriam Section of
THE BAHÁ'Í WORLD (1st series), volumes V through X,
1932-1946**

8 Sharaf 166 B.E./ 7 January 2010

In the Baha'í World volumes V through X, 1932-1946, at the end of the written obituaries, lists of names can be found. There are 719 names, of the Baha'is who had passed away during that time period. A few of these persons can also be found on the list in the OBITS list, 1925-1992.

The names were copied just as they appeared, hopefully w/o typos, with the very little editing noted:

- 1. The Persian names are those most likely to be incorrectly spelled as shown in the table;**
- 2. Some names are listed more than once;**
- 3. Some women are listed as by their husbands name, column #1, and the names are followed by (Mrs.);**
- 4. All titles such as Dr., Mr., Mrs., Professor were not included;**
- 5. Two Baha'is, column #2, passed away (date) prior to the volume in which their name appeared;**
- 6. May Maxwell's passing was in Buenos Aires, but the notice of her death probably came from Montreal;**
- 7. Column #2 was alphabetized first and then column #1.**
