¹ First Epoch of the Formative or Iron Age lasted until 1944 (CF 5) or 1946 (MBW 19) and covers the period during which the Bahá'í administrative order was being set up by Shoghi Effendi [See *The Bahá'í World* 18:231-5 'Statement by the Research Department on the Epochs of the Formative Age'

² Set in motion by 'Abdu'l-Bahá's Tablets of the Divine Plan. Shoghi Effendi writes of a twenty-year delay in the implementation of this plan while the administrative institutions of the Bahá'í Faith were being established (CF 32). The First Epoch of the Divine Plan thus began in 1937

³The First Stage of the First Epoch of the Divine Plan constituted the first American Seven Year Plan (1937-1944) and was marked by the spread of the Faith in Latin America.

We have...decided, as foreshadowed in previous announcements, to institute a five-year term for the Counsellor members of the International Teaching Centre. Each term will start on 23 May immediately following the International Baha'i Convention, and the current term will end on 23 May 1988. Should circumstances prevent the Universal
